The last day of the period so computed shall be included, unless it is a Saturday, Sunday, or legal holiday, in which event the period shall run until the end of the next day which is not a Saturday, Sunday, or legal holiday. When the period of time prescribed or allowed is less than seven (7) days, intermediate Saturdays, Sundays, and legal holidays shall be excluded in the computation.

- (b) Except as provided in subsections (c) and (d) of this section, if the Code Inspector finds or is made aware of a code violation, then the Code Inspector shall notify the violator and give him or her a reasonable time to correct the violation. Board, through its clerical staff or designated support, shall schedule a hearing and provide written notice of such hearing to the alleged violator in the manner set forth in Sec. 2-38. If the violation is corrected and then recurs or if the violation is not corrected by the time specified for correction by the Code Inspector, the case may be presented to the Code Enforcement Board even if the violation has been corrected prior to the Board hearing, and the notice provided to the alleged violator must so state.

(c) If the Code Inspector finds or is made aware of a repeat violation, then the Code Inspector shall notify the violator but is not required to give the violator any reasonable time to correct the violation. The Code Inspector, upon notifying the violator of a repeat violation, shall notify the Code Enforcement Board and request a hearing. The Board, through its clerical staff or designated support, shall schedule a hearing and provide written notice of such hearing to the alleged violator in the manner set forth in Sec. 2-38. The case may be presented to the Code Enforcement Board even if the repeat violation has been corrected prior to the Board hearing, and the notice provided to the alleged violator must so state. If the repeat violation has been corrected, the Code Enforcement Board retains the right to schedule a hearing to determine costs and impose the payment of reasonable enforcement fees upon the repeat violator. The repeat violator may choose to waive his or her rights to this hearing and pay said costs as determined by the Board.

(d) If the Code Inspector has reason to believe a violation or the condition causing the violation presents a serious threat to the public health, safety, and welfare, or if the violation is irreparable or irreversible in nature, the Code Inspector shall make a reasonable effort to notify the violator and may immediately notify the Code Enforcement Board and request a hearing. The Code Enforcement Board, through its clerical staff or designated support, shall schedule a hearing and provide written notice of such hearing to the alleged violator in the manner set forth in Sec. 2-38.

(Ord.98-2, Sec. 5)

(e) If the Town prevails in prosecuting a case before the Code Enforcement Board, it shall be entitled to recover all costs incurred in prosecution and such costs may be included in the lien authorized by this Article.

(f) The alleged violator has the right to be represented by an attorney at a Board hearing.

(g) The Code Enforcement Board shall hear all cases on the agenda for a given day. All testimony shall be under oath and shall be recorded. The Board shall take testimony from and receive any relevant evidence presented by the Code Inspector, the alleged violator, and any other person who requests to be heard and is familiar with the case or has knowledge about the case. Each party to the hearing shall have the right to call and examine witnesses, introduce exhibits, cross-examine opposing witnesses, impeach witnesses, and rebut evidence. The chairperson may exclude irrelevant and unduly repetitious evidence. The Code Enforcement Board shall not be bound by any formal rules of evidence; however, it shall act to ensure that fundamental due process is observed and that it governs the proceedings.

(h) The burden of proof shall be with the Town to show by the greater weight of the evidence that a code violation existed or exists and that the alleged violator committed or was responsible for the violation or for maintaining the violation. At the conclusion of a hearing, the Code Enforcement Board shall issue findings of fact, based on evidence of record and conclusions of law, and shall issue an order affording the proper relief consistent with powers granted by this ordinance. The findings shall be by motion approved by a majority of those members present and voting. In order for the findings to be official, at least three (3) members of the Board must vote. The order may include a notice that it must be complied with by a specified date and that a fine may be imposed and, under certain conditions, the cost of repairs may be included along with the fine if the order is not complied with by said date. A certified copy of such order may be recorded in the public records of the County and shall constitute notice to any subsequent purchasers, assigns if the violation concerns real property, and the findings therein shall be binding upon the violator and, if the violation concerns real property, any subsequent purchasers, successors in interest, or assigns. If an order is recorded in the public records pursuant to this subsection and the order is complied with by the date specified in the order, the Code Enforcement Board shall issue an order acknowledging compliance that shall be recorded in

the public records. A hearing is not required to issue an order acknowledging compliance.

(Ord.98-2, Sec. 6)

Sec. 2-35. Powers of Board

The Code Enforcement Board shall have the power to:

- (a) Adopt rules for the conduct of its hearings.
- (b) Subpoena alleged violators and witnesses to its hearings. Subpoenas may be served by the sheriff of the County.
- (c) Subpoena evidence to its hearings.
- (d) Take testimony under oath.
- (e) Issue orders having the force of law to command whatever steps are necessary to bring a violation into compliance.

(Ord.98-2, Sec. 7)

Sec. 2-36. Fine, lien and foreclosure

(a) Upon notification by the Code Inspector that an order issued by the Board has not been complied with by the set time or, upon finding that a repeat violation has been committed, the Code Enforcement Board may order the violator to pay a fine in an amount specified by this section for each day the violation continues past the date set by the Board for compliance or, in the case of a repeat violation, for each day the repeat violation continues, beginning with the date the repeat violation is found to have occurred by the Code Inspector. In addition, if the violation is a violation described in Sec. 2-33(d), the Board shall notify the local governing body, which may make all reasonable repairs which are required to bring the property into compliance and charge the violator with the reasonable cost of the repairs along with the fine imposed pursuant to this section. If a finding of a violation or a repeat violation has been made as provided in this part, a hearing shall not be necessary for the issuance of the order imposing the fine. If, after due notice and hearing, the Code Enforcement Board finds a violation to be irreparable or irreversible in nature, it may order the violator to pay a fine as specified in subsection (b).

(b) A fine imposed pursuant to this section shall not exceed two hundred fifty dollars (\$250.00) per day for a first violation and shall not exceed five hundred dollars (\$500.00) per day for a repeat violation, and, in addition, may include all costs of repairs pursuant to subsection (a). However, if the Code Enforcement Board finds the violation to be irreparable or irreversible in nature, it may impose a fine not to exceed five thousand dollars (\$5,000.00) per violation.

(c) In determining the amount of the fine, if any, the Code Enforcement Board shall consider the following factors:

- (1) The gravity of the violation;
- (2) Any actions taken by the violator to correct the violation; and
- (3) Any previous violations committed by the violator.

(d) The Code Enforcement Board may reduce a fine imposed pursuant to this section.

(e) A certified copy of an order imposing a fine may be recorded in the public records of Alachua County, Florida, and thereafter shall constitute a lien against the land on which the violation exists and upon any other real or personal property owned by the violator. Upon petition to the circuit court, such order may be enforced in the same manner as a court judgment by the sheriffs of the state, including levy against personal property, but such order shall not be deemed to be a court judgment except for enforcement purposes. A fine imposed pursuant to this section shall continue to accrue until the violator comes into compliance or until judgment is rendered in a suit to foreclose on a lien filed pursuant to this section, whichever occurs first.

(f) A lien arising from a fine imposed pursuant to this section runs in favor of the Town of Micanopy, and the Town may execute a satisfaction or release of lien entered pursuant to this section.

(g) After three (3) months from the filing of any such lien that remains unpaid, the Code Enforcement Board may authorize the Town's Attorney to foreclose on the lien.

(h) No lien provided under this Article shall continue for a period longer than twenty (20) years after the certified copy of an order imposing a fine has been recorded, unless within that time an action to foreclose on the lien is commenced in a court of competent jurisdiction. In an action to foreclose on a lien, the prevailing party is entitled to recover all costs, including a reasonable attorney's fees, which it incurs in the foreclosure. The Town shall be entitled to collect all costs incurred in recording and satisfying a valid lien. The continuation of the lien affected by the commencement of the action shall not be good against creditors or subsequent

purchasers for valuable consideration without notice, unless a notice of lis pendens is recorded.

(i) No lien created pursuant to the provisions of this part may be foreclosed on real property that is a homestead under Section 4, Art. X of the state constitution.

(Ord.98-2, Sec. 8)

Sec. 2-37. Appeals

An aggrieved party, including the Town, may appeal a final administrative order of the Code Enforcement Board to the circuit court. Such an appeal shall not be a hearing de novo but shall be limited to appellate review of the record created before the Board. An appeal shall be filed within 30 days of the execution of the order to be appealed.

(Ord.98-2, Sec. 9)

Sec. 2-38. Notices

All notices required to be provided by these code enforcement provisions shall be provided to the alleged violator by certified mail, return receipt requested; by hand delivery of the Sheriff or other law enforcement officer, Code Inspector, or other person designated by the Town; or by leaving the notice at the violator's usual place of residence with any person residing therein who is above fifteen (15) years of age and informing such person of the contents of the notice.

Sec. 4-3. Creation of improvement areas

The Board is hereby authorized to create "improvement areas," in accordance with the procedures set forth herein to include property located within the Town. Each improvement area shall encompass only that property specially benefitted by the local improvements proposed for funding from the proceeds of assessments to be imposed therein. Either the initial assessment resolution proposing each improvement area or the final assessment resolution creating each improvement area shall include brief descriptions of the proposed local improvements, a description of the property to be included within the improvement area, and specific legislative findings that recognize the special benefit to be provided by each proposed local improvement to property within the improvement area.

(Ord.2008-05, Sec. 1)

Sec. 4-4. Landowner petition process

At its option, the Board may establish, by resolution, a process pursuant to which the owners of property may petition for creation of an improvement area to fund local improvements. Notwithstanding any petition process established pursuant to this section, the Board shall retain the authority to create improvement areas without a landowner petition.

(Ord. 2008-05, Sec. 1)

DIVISION 3. ASSESSMENTS

Sec. 4-5. Authority

The Board is hereby authorized to impose assessments against property located within an improvement area to fund the project cost of local improvements. The assessment shall be computed in a manner that fairly and reasonably apportions the project cost among the parcels of property within the improvement area, based upon objectively determinable assessment units.

(Ord. 2008-05, Sec. 1)

Sec. 4-6. Initial assessment resolution

The initial proceeding for creation of an improvement area and imposition of an assessment shall be the Board's adoption of an initial assessment resolution. The initial assessment resolution shall:

- (1) Describe the property to be located within the proposed improvement area;
- (2) Describe the local improvement proposed for funding from proceeds of the assessments;
- (3) Estimate the capital cost or project cost;
- (4) Describe with particularity the proposed method of apportioning the capital cost or project cost among the parcels of property located within the proposed improvement area, such that the owner of any parcel of property can objectively determine the number of assessment units and the amount of the assessment;
- (5) Describe the provisions, if any, for acceleration and prepayment of the assessment;
- (6) Describe the provisions, if any, for reallocating the assessment upon future subdivision; and
- (7) Include specific legislative findings that recognize the fairness provided by the apportionment methodology.

(Ord. 2008-05, Sec. 1)

Sec. 4-7. Assessment roll

(a) The assessment coordinator shall prepare a preliminary assessment roll that contains the following information:

(1) A summary description of each parcel of property (conforming to the description contained on the tax roll), which may be the parcel number assigned to the parcel by the property appraiser, subject to the assessment;

(2) The name of the owner of record of each parcel, as shown on the tax roll;

(3) The number of assessment units attributable to each parcel;

(4) The estimated maximum annual assessment to become due in any fiscal year for each assessment unit; and

(5) The estimated maximum annual assessment to become due in any fiscal year for each parcel.

(b) Copies of the initial assessment resolution and the preliminary assessment roll shall be on file in the office of the assessment coordinator and open to public inspection. The foregoing shall not be construed to require that the assessment roll be in printed form if the amount of the assessment for each parcel of property can be determined by use of a computer terminal available to the public.

(Ord.2008-05, Sec. 1)

Sec. 4-8. Notice by publication

After filing the assessment roll in the office of the assessment coordinator, as required by Sec. 4-7(b), the assessment coordinator shall publish once in a newspaper of general circulation within the County a notice stating that at a public hearing of the Board will be held on a certain day and hour, not earlier than ten (10) calendar days from such publication, at which hearing the Board will receive written comments and hear testimony from all interested persons regarding creation of the improvement area and adoption of the final assessment resolution. The published notice shall conform to the requirements set forth in the Uniform Assessment Collection Act.

(Ord. 2008-05, Sec. 1)

Sec. 4-9. Notice by mail

In addition to the published notice required by Sec. 4-8, the assessment coordinator shall provide notice of the proposed assessment by first class mail to the owner of each parcel of property subject to the assessment. The mailed notice shall conform to the requirements set forth in the Uniform Assessment Collection Act. Notice shall be mailed at least ten (10) calendar days prior to the hearing to each property owner at such address as is shown on the tax roll on the tenth calendar day prior to the date of mailing. Notice shall be deemed mailed upon delivery thereof to the possession of the U.S. Postal Service. The assessment coordinator may provide proof of such notice by affidavit. Failure of the owner to receive such notice due to mistake or inadvertence shall not affect the validity of the assessment roll nor release or discharge any obligation for the payment of an assessment imposed by the Board pursuant to this Article.

(Ord. 2008-05, Sec. 1)

Sec. 4-10. Adoption of final assessment resolution

At the time named in such notice, or such time to which an adjournment or continuance may be taken, the Board shall receive written objections and hear testimony of interested persons and may then, or at any subsequent meeting of the Board, adopt the final assessment resolution which shall:

(1) Create the improvement area;

(2) Confirm, modify or repeal the initial assessment resolution with such amendments, if any, as may be deemed appropriate by the Board;

(3) Establish the maximum amount of the assessment for each assessment unit;

(4) Approve the assessment roll, with such amendments as it deems just and right; and

(5) Determine the method of collection.

Following adoption of the final assessment resolution but prior to the date on which the assessment roll is certified for collection pursuant to Article IV hereof, the Board shall obtain a written legal opinion that the assessments have been validly imposed from an attorney-at-law or firm of attorneys of recognized standing in matters pertaining to local government law; provided however, that the failure to obtain such opinion shall not invalidate the assessments or affect the factual findings made by the Board in connection therewith.

(Ord. 2008-05, Sec. 1)

Sec. 4-11. Annual assessment resolution

During its budget adoption process, the Board shall adopt an annual assessment resolution for each fiscal year in which assessments will be imposed to approve the assessment roll for such fiscal year. The final assessment resolution shall constitute the annual assessment resolution for the initial fiscal year. The assessment roll shall be prepared in accordance with the initial assessment resolution, as confirmed or amended by the final assessment resolution. If the proposed assessment for any parcel of property exceeds the maximum amount established in the notice provided pursuant Sec. 4-9 or if an assessment is imposed against property not previously subject thereto, the Board shall provide notice to the owner of such property in accordance with Sec. 4-9 hereof and conduct a public hearing prior to adoption of the annual assessment resolution. Failure to adopt an annual assessment resolution during the budget adoption process for a fiscal year may be cured at any time.

(Ord. 2008-05, Sec. 1)

Sec. 4-12. Effect of assessment resolutions

The adoption of the final assessment resolution shall be the final adjudication of the issues presented (including, but not limited to, the apportionment methodology, the rate of assessment, the adoption of the assessment roll and the levy and lien of the assessments), unless proper steps are initiated in a court of competent jurisdiction to secure relief within twenty (20) days from the date of Board adoption of the final assessment resolution. The assessments for each fiscal year shall be established upon adoption of the annual assessment resolution. The assessment roll, as approved by the annual assessment resolution, shall be certified to the tax collector, or such other official as the Board by resolution deems appropriate.

(Ord. 2008-05, Sec. 1)

Sec. 4-13. Lien of assessments

(a) Upon adoption of the annual assessment resolution for each fiscal year, assessments to be collected under the Uniform Assessment Collection Act shall constitute a lien against assessed property equal in rank and dignity with the liens of all state, county, district or municipal taxes and other non-ad valorem assessments. Except as otherwise provided by law, such lien shall be superior in dignity to all other liens, titles and claims, until paid. The lien shall be deemed perfected upon adoption by the Board of the annual assessment resolution and shall attach to the property included on the assessment roll as of the prior January 1, the lien date for ad valorem taxes.

(b) Upon adoption of the final assessment resolution, assessments to be collected under any alternative method of collection provided in Sec. 4-18 shall constitute a lien against assessed property equal in rank and dignity with the liens of all state, county, district or municipal taxes and other non-ad valorem assessments. Except as otherwise provided by law, such lien shall be superior in dignity to all other liens, titles and claims, until paid. The lien shall be deemed perfected on the date notice thereof is recorded in the official records of Alachua County, Florida.

(Ord. 2008-05, Sec. 1)

Sec. 4-14. Revisions to assessments

If any assessment made under the provisions of this Article is either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the Board is satisfied that any such assessment is so irregular or defective that the same cannot be enforced or collected, or if the Board has failed to include any property on the assessment roll which property should have been so included, the Board may take all necessary steps to impose a new assessment against any property benefited by the local improvement, following as nearly as may be practicable, the provisions of this Article and in case such second assessment is annulled, the Board may obtain and impose other assessments until a valid assessment is imposed.

(Ord. 2008-05, Sec. 1)

Sec. 4-15. Procedural irregularities

Any irregularity in the proceedings in connection with the levy of any assessment under the provisions of this Article shall not affect the validity of the same after the approval thereof, and any assessment as finally approved shall be competent and sufficient evidence that such assessment was duly levied, that the assessment was duly made and adopted, and that all other proceedings adequate to such assessment were duly had, taken and performed as required by this Article; and no variance from the directions hereunder shall

CHAPTER 4. ASSESSMENTS

be held material unless it be clearly shown that the party objecting was materially injured thereby. Notwithstanding the provisions of this section, any party objecting to an assessment imposed pursuant to this Article must file an objection with a court of competent jurisdiction within the time periods prescribed herein.

(Ord. 2008-05, Sec. 1)

Sec. 4-16. Correction of errors and omissions

(a) No act of error or omission on the part of the Board, assessment coordinator, property appraiser, tax collector, clerk, or their respective deputies or employees, shall operate to release or discharge any obligation for payment of any assessment imposed by the Board under the provisions of this Article.

(b) The number of assessment units attributed to a parcel of property may be corrected at any time by the assessment coordinator. Any such correction which reduces an assessment shall be considered valid from the date on which the assessment was imposed and shall in no way affect the enforcement of the assessment imposed under the provisions of this Article. Any such correction which increases an assessment or imposes an assessment on omitted property shall first require notice to the affected owner in the manner described in Sec. 4-9, providing the date, time and place that the Board will consider confirming the correction and offering the owner an opportunity to be heard.

(c) After the assessment roll has been delivered to the tax collector in accordance with the Uniform Assessment Collection Act, any changes, modifications or corrections thereto shall be made in accordance with the procedures applicable to errors and insolvencies for ad valorem taxes.

(Ord.2008-05, Sec. 1)

DIVISION 4. COLLECTION OF ASSESSMENTS

Sec. 4-17. Method of collection

Unless directed otherwise by the Board, assessments (other than assessments imposed against government property) shall be collected pursuant to the Uniform Assessment Collection Act, and the County shall comply with all applicable provisions thereof, including but not limited to:

(1) Entering into a written agreement with the property appraiser and the tax collector for reimbursement of necessary expenses; and

(2) Adopting a resolution of intent. The resolution of intent may be adopted either prior to or following the initial assessment resolution; provided however, that the resolution of intent must be adopted prior to January 1 (or March 1 with consent of the property appraiser and tax collector) of the year in which the assessments are first collected on the ad valorem tax bill. Any hearing or notice required by this Article may be combined with any other hearing or notice required by the Uniform Assessment Collection Act.

(Ord. 2008-05, Sec. 1)

Sec. 4-18. Alternative method of collection

In lieu of using the Uniform Assessment Collection Act, the Town may elect to collect the assessment by any other method which is authorized by law or provided by this section as follows:

(1) The Town shall provide assessment bills by first class mail to the owner of each affected parcel of property, other than government property. The bill or accompanying explanatory material shall include:

a. A brief explanation of the assessment;

b. A description of the assessment units used to determine the amount of the assessment;

c. The number of assessment units attributable to the parcel;

d. The total amount of the parcel's assessment for the appropriate period;

e. The location at which payment will be accepted;

f. The date on which the assessment is due; and

g. A statement that the assessment constitutes a lien against assessed property equal in rank and dignity with the liens of all state, county, district or municipal taxes and other non-ad valorem assessments.

(2) A general notice of the lien resulting from imposition of the assessments shall be recorded in the

CHAPTER 4. ASSESSMENTS

official records of Alachua County, Florida. Nothing herein shall be construed to require that individual liens or releases be filed in the official records.

(3) The Town shall have the right to appoint or retain an agent to foreclose and collect all delinquent assessments in the manner provided by law. An assessment shall become delinquent if it is not paid within thirty (30) days from the due date. The Town or its agent shall notify any property owner who is delinquent in payment of an assessment within sixty (60) days from the date such assessment was due. Such notice shall state in effect that the Town or its agent will initiate a foreclosure action and cause the foreclosure of such property subject to a delinquent assessment in a method now or hereafter provided by law for foreclosure of mortgages on real estate, or otherwise as provided by law.

(4) All costs, fees and expenses, including reasonable attorney fees and title search expenses, related to any foreclosure action as described herein shall be included in any judgment or decree rendered therein. At the sale pursuant to decree in any such action, the Town may be the purchaser to the same extent as an individual person or corporation. The Town may join in one foreclosure action the collection of assessments against any or all property assessed in accordance with the provisions hereof. All delinquent property owners whose property is foreclosed shall be liable for an apportioned amount of reasonable costs and expenses incurred by the Town and its agents, including reasonable attorney fees, in collection of such delinquent assessments and any other costs incurred by the Town as a result of such delinquent assessments including, but not limited to, costs paid for draws on a credit facility and the same shall be collectible as a part of or in addition to, the costs of the action.

(5) In lieu of foreclosure, any delinquent assessment and the costs, fees and expenses attributable thereto, may be collected pursuant to the Uniform Assessment Collection Act; provided however, that:

a. Notice is provided to the owner in the manner required by law and this Article; and

b. Any existing lien of record on the affected parcel for the delinquent assessment is supplanted by the lien resulting from certification of the assessment roll to the tax collector.

(Ord. 2008-05, Sec. 1)

Sec. 4-19. Responsibility for enforcement

The Town and its agent, if any, shall maintain the duty to enforce the prompt collection of assessments by the means provided herein. The duties related to collection of assessments may be enforced at the suit of any holder of obligations in a court of competent jurisdiction by mandamus or other appropriate proceedings or actions.

(Ord. 2008-05, Sec. 1)

Sec. 4-20. Government property

(a) If assessments are imposed against government property, the Town shall provide assessment bills by first class mail to the owner of each affected parcel of government property. The bill or accompanying explanatory material shall include:

- (1) A brief explanation of the assessment;
- (2) A description of the assessment units used to determine the amount of the assessment;
- (3) The number of assessment units attributable to the parcel;
- (4) The total amount of the parcel's assessment for the appropriate period;
- (5) The location at which payment will be accepted; and
- (6) The date on which the assessment is due.

(b) Assessments imposed against governmental property shall be due on the same date as assessments against other property within the improvement area and, if applicable, shall be subject to the same discounts for early payment.

(c) An assessment shall become delinquent if it is not paid within thirty (30) days from the due date. The Town shall notify the owner of any government property that is delinquent in payment of its assessment within sixty (60) days from the date such assessment was due. Such notice shall state in effect that the Town will initiate a mandamus or other appropriate judicial action to compel payment.

(d) All costs, fees and expenses, including reasonable attorney fees and title search expenses, related to any mandamus or other action as described herein shall be included in any judgment or decree rendered therein. All delinquent owners of government property against which a mandamus or other appropriate action is filed shall be liable for an apportioned amount of reasonable costs and expenses incurred by the Town, including reasonable attorney fees, in collection of such delinquent assessments and any other costs incurred by the Town as a result of such delinquent assessments including, but not limited to, costs paid for draws on a credit facility and the same shall be collectible as a part of or in addition to, the costs of the action.

(e) As an alternative to the foregoing, an assessment imposed against government property may be collected on the bill for any utility service provided to such governmental property. The Board may contract for such billing services with any utility provider.

(Ord.2008-05, Sec. 1)

DIVISION 5. ISSUANCE OF OBLIGATIONS

Sec. 4-21. General authority

(a) Upon adoption of the final assessment resolution imposing assessments to fund a local improvement or at any time thereafter, the Board shall have the power and is hereby authorized to provide by resolution, at one time or from time to time in series, for the issuance of obligations to fund the project cost thereof.

(b) The principal of and interest on each series of obligations shall be payable from pledged revenue. At the option of the Board, the Town may agree, by resolution, to budget and appropriate funds to make up any deficiency in the reserve account established for the obligations or in the payment of the obligations, from other non-ad valorem revenue sources. The Board may also provide, by resolution, for a pledge of or lien upon proceeds of such non-ad valorem revenue sources for the benefit of the holders of the obligations. Any such resolution shall determine the nature and extent of any pledge of or lien upon proceeds of such non-ad valorem revenue sources.

(Ord. 2008-05, Sec. 1)

Sec. 4-22. Terms of the obligations

The obligations shall be dated, shall bear interest at such rate or rates, shall mature at such times as may be determined by resolution of the Board, and may be made redeemable before maturity, at the option of the Town, at such price or prices and under such terms and conditions, all as may be fixed by the Board. Such obligations shall mature not later than forty (40) years after their issuance. The Board shall determine by resolution the form of the obligations, the manner of executing such obligations, and shall fix the denominations of such obligations, the place or places of payment of the principal and interest, which may be at any bank or trust company within or outside of the State of Florida, and such other terms and provisions of the obligations as it deems appropriate. The obligations may be sold at public or private sale for such price or prices as the Board shall determine by resolution. The obligations may be delivered to any contractor to pay for construction of the local improvements or may be sold in such manner and for such price as the Board may determine by resolution to be for the best interests of the County.

(Ord. 2008-05, Sec. 1)

Sec. 4-23. Variable rate obligations

At the option of the Board, obligations may bear interest at a variable rate.

(Ord. 2008-05, Sec. 1)

Sec. 4-24. Temporary obligations

Prior to the preparation of definitive obligations of any series, the Board may, under like restrictions, issue interim receipts, interim certificates, or temporary obligations, exchangeable for definitive obligations when such obligations have been executed and are available for delivery. The Board may also provide for the replacement of any obligations which shall become mutilated, destroyed or lost. Obligations may be issued without any other proceedings or the happening of any other conditions or things than those proceedings, conditions or things which are specifically required by this Article.

(Ord.2008-05, Sec. 1)

Sec. 4-25. Anticipation notes

In anticipation of the sale of obligations, the Board may, by resolution, issue notes and may renew the same from time to time. Such notes may be paid from the proceeds of the obligations, the proceeds of the assessments, the proceeds of the notes and such other legally available moneys as the Board deems appropriate by resolution. Such notes shall mature within five (5) years of their issuance and shall bear interest at a rate not exceeding the maximum rate provided by law. The Board may issue obligations or renewal notes to repay the notes. The notes shall be issued in the same manner as the obligations.

(Ord.2008-05, Sec. 1)

Sec. 4-26. Taxing power not pledged

Obligations issued under the provisions of this Article shall not be deemed to constitute a general obligation or pledge of the full faith and credit of the Town within the meaning of the Constitution of the State of Florida, but such obligations shall be payable only from pledged revenue in the manner provided herein and by the resolution authorizing the obligations. The issuance of obligations under the provisions of this Article shall not directly or indirectly obligate the Town to levy or to pledge any form of ad valorem taxation whatever therefore. No holder of any such obligations shall ever have the right to compel any exercise of the ad valorem taxing power on the part of the Town to pay any such obligations or the interest thereon or to enforce payment of such obligations or the interest thereon against any property of the Town, nor shall such obligations constitute a charge, lien or encumbrance, legal or equitable, upon any property of the Town, except the pledged revenue.

(Ord.2008-05, Sec. 1)

Sec. 4-27. Trust funds

The pledged revenue received pursuant to the authority of this Article shall be deemed to be trust funds, to be held and applied solely as provided in this Article and in the resolution authorizing issuance of the obligations. Such pledged revenue may be invested by the Town, or its designee, in the manner provided by the resolution authorizing issuance of the obligations. The pledged revenue upon receipt thereof by the Town shall be subject to the lien and pledge of the holders of any obligations or any entity other than the Town providing credit enhancement on the obligations.

(Ord. 2008-05, Sec. 1)

Sec. 4-28. Remedies of holders

Any holder of obligations, except to the extent the rights herein given may be restricted by the resolution authorizing issuance of the obligations, may, whether at law or in equity, by suit, action, mandamus or other proceedings, protect and enforce any and all rights under the laws of the State of Florida or granted hereunder or under such resolution, and may enforce and compel the performance of all duties required by this part, or by such resolution, to be performed by the Town.

(Ord. 2008-05, Sec. 1)

Sec. 4-29. Refunding obligations

The Town may, by resolution of the Board, issue obligations to refund any obligations issued pursuant to this Article, or any other obligations of the Town theretofore issued to finance the project cost of a local improvement, and provide for the rights of the holders hereof. Such refunding obligations may be issued in an amount sufficient to provide for the payment of the principal of, redemption premium, if any, and interest on the outstanding obligations to be refunded. If the issuance of such refunding obligations results in an annual assessment that exceeds the estimated maximum annual assessments set forth in the notice provided pursuant to Sec. 4-9 of this Article, the Board shall provide notice to the affected property owners and conduct a public hearing in the manner required by Division 3 of this Article.

(Ord. 2008-05, Sec. 1)

DIVISION 6. HARDSHIP POLICY

Sec. 4-30. Scope

This Division outlines the procedure for the receipt, investigation, review and disposition of requests for payment options of special assessments submitted by property owners claiming financial hardship.

(Ord. 2008-05, Sec. 1)

Sec. 4-31. Postponement of payment

If a property owner is determined to have a financial hardship, then the Board may approve the postponement of the special assessment payments as follows:

- (a) A lien for the maximum assessment amount will be recorded against the property.
- (b) Payments on the assessment amount will be suspended until there is a change of ownership of the property or there is some other change of circumstance of the property owner which would no longer qualify the property owner as having a financial hardship. It is the responsibility of the property owner to notify the Town of any such change in circumstances.
- (c) The hardship postponement is only for the life of the approved property owner, absent an occurrence described in (b) above.
- (d) Interest on the assessment will continue to accrue throughout the postponement as it would otherwise.

(Ord. 2008-05, Sec. 1)

Sec. 4-32. Procedure for request

(a) Property owners may request that special assessments be postponed until the subject property is sold or otherwise changes ownership or there is some other change in circumstances for the property owner. These requests will be submitted in writing and must, at a minimum, include the following information:

- 1. list of all persons with an ownership interest in the property, including each one's address and telephone number;
- 2. parcel identification number of the property subject to the special assessment;
- 3. number in household and income of each;
- 4. sources of other income (i.e. child support, public assistance, etc.);
- 5. justification for the request; and
- 6. copies of the relevant Federal income tax returns for the previous three years.

(b) The Assessment Coordinator will review all requests for completeness of information. Any missing information will be requested from the property owner. Further processing of the application will not occur until all required information has been submitted to the Town.

(Ord. 2008-05, Sec. 1)

Sec. 4-33. Review and approval

(a) Criteria to be used in determining whether a bona fide hardship exists will include, but not be limited to, the following:

- 1. Applicable household income limits (80%) level for the State of Florida as promulgated and adjusted from time to time, by the Federal government;
- 2. Credit history;
- 3. Previous arrangements made with the Town, if applicable; and
- 4. Other sources of income available, including but not limited to child support, alimony, and investment income.

(b) Upon Board approval, the Town will prepare a schedule of all approved requests listing name, address, parcel identification, annual charge to be paid by the Town and expiration date of the authorization.

(c) For any postponed special assessments, a lien will be filed against the property in the amount of the maximum assessment amount.

Sec. 4A-2. Findings

It is hereby ascertained, determined and declared that:

(a) The provisions of this ordinance are authorized by Article VIII, Sec. 2 of the Florida Constitution, Sec. 166.021 of the Florida Statutes and other provisions of law regarding municipal home rule and the powers of local self-government.

(b) The assessments imposed pursuant to this Article will be imposed by the Board, not the Property Appraiser or Tax Collector. Any activity of the Property Appraiser or Tax Collector under the provisions of this Article shall be construed solely as ministerial.

(c) The purpose of this Ordinance is to:

- (1) provide procedures and standards for the imposition of Fire Rescue Assessments;
- (2) authorize a procedure for the funding of fire rescue services, facilities, or programs providing special benefits to property within the Town; and
- (3) legislatively determine the special benefit provided to Assessed Property from the Town's fire rescue services program.

(d) The annual Fire Rescue Assessments shall constitute non-ad valorem assessments within the meaning and intent of the Uniform Assessment Collection Act.

(e) The fire rescue services, facilities, and programs provide a special benefit to property because fire rescue services possess a logical relationship to the use and enjoyment of property by:

- (1) protecting the value and integrity of improvements, structures and land;
- (2) protecting the life and safety of intended occupants in the use and enjoyment of property; and
- (3) lowering the cost of fire insurance by the presence of a professional and comprehensive fire rescue services program.

(f) This Ordinance shall be deemed to provide an additional and alternative method for the doing of the things authorized hereby and shall be regarded as supplemental and additional to powers conferred by other

CHAPTER 4A. FIRE RESCUE ASSESSMENTS

laws, and shall not be regarded as in derogation of any powers now existing or which may hereafter come into existence. This Ordinance, being necessary for the welfare of the inhabitants of the Town, shall be liberally construed to effect the purposes hereof.

DIVISION 2. ANNUAL FIRE RESCUE ASSESSMENTS

Sec. 4A-3. General Authority

(a) The Board is hereby authorized to impose an annual Fire Rescue Assessment to fund all or any portion of the Fire Rescue Assessed Cost upon benefited property at a rate of assessment based on the special benefit accruing to such property from the Town's provision of fire rescue services, facilities, or programs. All Fire Rescue Assessments shall be imposed in conformity with the procedures set forth herein.

(b) The amount of the Fire Rescue Assessment imposed in a Fiscal Year against a parcel of Assessed Property shall be determined pursuant to an apportionment methodology based upon a classification of property designed to provide a fair and reasonable apportionment of the Fire Rescue Assessed Cost among properties on a basis reasonably related to the special benefit provided by fire rescue services, facilities, or programs funded with assessment proceeds.

(Ord.2010-02, Sec. 1)

Sec. 4A-4. Initial proceeding

The initial proceeding for the imposition of a Fire Rescue Assessment shall be the adoption of an Initial Assessment Resolution by the Board,

- (1) containing a brief and general description of the fire rescue services, facilities, or programs to be provided,
- (2) determining the Fire Rescue Assessed Cost to be assessed,
- (3) describing the method of apportioning the Fire Rescue Assessed Cost and the computation of the Fire Rescue Assessment for specific properties,
- (4) establishing an estimated assessment rate for the upcoming Fiscal Year, and
- (5) directing the Assessment Coordinator to:
 - (i) prepare the initial Assessment Roll, as required by Sec. 4A-5 hereof,
 - (ii) publish the notice required by Sec. 4A-6 hereof, and
 - (iii) mail the notice required by Sec.4A-7 hereof using information then available from the Tax Roll.

(Ord.2010-02, Sec. 1)

Sec. 4A-5. Initial assessment roll

(a) The Assessment Coordinator shall prepare the initial Assessment Roll, which shall contain the following:

1. A summary description of all Assessed Property conforming to the description contained on the Tax Roll; and
2. The name of the Owner of the Assessed Property; and
3. The amount of the Fire Rescue Assessment to be imposed against each such parcel of Assessed Property.

(b) The initial Assessment Roll shall be retained by the Assessment Coordinator and shall be open to public inspection. The foregoing shall not be construed to require that the Assessment Roll be in printed form if the amount of the Fire Rescue Assessment for each parcel of property can be determined by use of a computer terminal available to the public.

(Ord.2010-02, Sec. 1)

Sec. 4A-6. Notice by publication

Upon completion of the initial Assessment Roll, the Assessment Coordinator shall publish, or direct the publication of, in a newspaper of general circulation within the County a notice stating that at a meeting of the Board on a certain day and hour, not earlier than 20 calendar days from such publication, which meeting shall be a regular, adjourned, or special meeting, the Board will hear objections of all interested persons to the Final Assessment Resolution which shall establish the rate of assessment and approve the aforementioned Initial Assessment Roll. Such notice shall be published one time and shall conform to the requirements set forth in the Uniform Assessment Collection Act. Such notice shall include

CHAPTER 4A. FIRE RESCUE ASSESSMENTS

- (a) a geographic depiction of the property subject to the Fire Rescue Assessment;
- (b) a brief and general description of the fire rescue services, facilities, or programs to be provided;
- (c) the rate of assessment;
- (d) the procedure for objecting provided in Sec. 4A-8 hereof;
- (e) the method by which the Fire Rescue Assessment will be collected; and
- (f) a statement that the initial Assessment Roll is available for inspection at the office of the Assessment Coordinator and all interested persons may ascertain the amount to be assessed against a parcel of Assessed Property at the office of the Assessment Coordinator.

(Ord.2010-02, Sec. 1)

Sec. 4A-7. Notice by mail

In addition to the published notice required by Sec. 4A-6, the Assessment Coordinator shall provide notice of the proposed Fire Rescue Assessment by first class mail to the Owner of each parcel of property subject to the Fire Rescue Assessment. Such notice shall include:

- (a) the purpose of the Fire Rescue Assessment;
- (b) the rate of assessment to be levied against each parcel of property;
- (c) the unit of measurement applied to determine the Fire Rescue Assessment;
- (d) the number of such units contained in each parcel of property;
- (e) the total revenue to be collected by the Town from the Fire Rescue Assessment;
- (f) a statement that failure to pay the Fire Rescue Assessment will cause a tax certificate to be issued against the property or foreclosure proceedings to be instituted, either of which may result in a loss of title to the property;
- (g) a statement that all affected Owners have a right to appear at the hearing and to file written objections with the Board within 20 days of the notice; and
- (h) the date, time, and place of the hearing.

The mailed notice shall conform to the requirements set forth in the Uniform Assessment Collection Act. Notice shall be mailed at least 20 calendar days prior to the hearing to each Owner at such address as is shown on the Tax Roll. Notice shall be deemed mailed upon delivery thereof to the possession of the United States Postal Service. The Assessment Coordinator may provide proof of such notice by affidavit. Failure of the Owner to receive such notice due to mistake or inadvertence shall not affect the validity of the Assessment Roll nor release or discharge any obligation for payment of a Fire Rescue Assessment imposed by the Board pursuant to this Ordinance.

(Ord.2010-02, Sec. 1)

Sec. 4A-8. Adoption of final assessment resolution

At the public hearing as noticed pursuant to Sec. 4A-6 and 4A-7 hereof, or to which an adjournment or continuance may be taken by the Board, the Board shall receive any oral or written objections of interested persons and may then, or at any subsequent meeting of the Board adopt the Final Assessment Resolution which shall:

- (a) confirm, modify, or repeal the Initial Assessment Resolution with such amendments, if any, as may be deemed appropriate by the Board;
- (b) establish the rate of assessment to be imposed in the upcoming Fiscal Year;
- (c) approve the initial Assessment Roll, with such amendments as it deems just and right; and
- (d) determine the method of collection.

The adoption of the Final Assessment Resolution by the Board shall constitute a legislative determination that all parcels assessed derive a special benefit from the fire rescue services, facilities, or programs to be provided or constructed and a legislative determination that the Fire Rescue Assessments are fairly and reasonably apportioned among the properties that receive the special benefit. All written objections to the Final Assessment Resolution shall be filed with the Assessment Coordinator at or before the time or adjourned time of such hearing. The Final Assessment Resolution shall constitute the Annual Rate Resolution for the initial Fiscal Year in which Fire Rescue Assessments are imposed or reimposed hereunder.

(Ord.2010-02, Sec. 1)

Sec. 4A-9. Effect of final assessment resolution

CHAPTER 4A. FIRE RESCUE ASSESSMENTS

The Fire Rescue Assessments for the initial Fiscal Year shall be established upon adoption of the Final Assessment Resolution. The adoption of the Final Assessment Resolution shall be the final adjudication of the issues presented (including, but not limited to, the determination of special benefit and fair apportionment to the Assessed Property; the method of apportionment and assessment; the initial rate of assessment; and the levy and lien of the Fire Rescue Assessments), unless proper steps shall be initiated in a court of competent jurisdiction to secure relief within 20 days from the date of the Board action on the Final Assessment Resolution. The Initial Assessment Roll, as approved by the Final Assessment Resolution, shall be delivered to the Tax Collector, as required by the Uniform Assessment Collection Act, or if the alternative method described in Sec. 4A-18 hereof is used to collect the Fire Rescue Assessments, such other official as the Board by resolution shall designate.

(Ord.2010-02, Sec. 1)

Sec. 4A-10. Annual adoption procedures

(a) Annually, during the budget adoption process, the Board shall determine whether to reimpose a Fire Rescue Assessment for each Fiscal Year following the initial Fiscal Year. If the Board elects to reimpose a Fire Rescue Assessment, the procedures in this Sec. 4A-10 shall be followed.

(b) The initial proceedings for the reimposition of an annual Fire Rescue Assessment shall be the adoption of a Preliminary Rate Resolution by the Board:

- (1) containing a brief and general description of the services, facilities, or programs to be provided;
- (2) determining the Fire Rescue Assessed Cost to be assessed for the upcoming Fiscal Year;
- (3) establishing the estimated assessment rate for the upcoming Fiscal Year;
- (4) authorizing the date, time, and place of a public hearing to receive and consider comments from the public and consider the adoption of the Annual Rate Resolution for the upcoming Fiscal Year; and
- (5) directing the Assessment Coordinator to
 - (i) update the Assessment Roll,
 - (ii) provide notice by publication and first class mail to affected owners in the event circumstances described in subsection (f) of this Section so require, and
 - (iii) directing and authorizing any supplemental or additional notice deemed proper, necessary or convenient by the Town.

(c) At the public hearing established in the Preliminary Rate Resolution or to which an adjournment or continuance may be taken by the Board, the Board shall receive any oral or written objections of interested persons and may then, or at any subsequent meeting of the Board, adopt the Annual Rate Resolution, which shall:

- (1) establish the rate of assessment to be imposed in the upcoming Fiscal Year and
- (2) approve the Assessment Roll for the upcoming Fiscal Year with such adjustments as the Board deems just and right.

(d) The Assessment Roll shall be prepared in accordance with the method of apportionment set forth in the Initial Assessment Resolution, or any subsequent Preliminary Rate Resolution, together with modifications, if any, that are provided and confirmed in the Final Assessment Resolution or any subsequent Annual Rate Resolution.

(e) Nothing herein shall preclude the Board from providing annual notification to all owners of Assessed Property in the manner provided in Sec. 4A-6 and 4A-7 hereof or any other method as provided by law.

(f) In the event:

- (1) proposed Fire Rescue Assessment for any Fiscal Year exceeds the rates of assessment adopted by the Board that were listed in the notices previously provided to the owners of Assessed Property pursuant to Sec. 4A-6 and 4A-7 hereof;
- (2) the purpose for which the Assessment is imposed or the use of the revenue from the Fire Rescue Assessment is substantially changed from that represented by notice previously provided to the owners of Assessed Property pursuant to Sec. 4A-6 and 4A-7 hereof;
- (3) Assessed Property is reclassified or the method of apportionment is revised or altered resulting in an increased Fire Rescue Assessment from that represented by notice previously provided to the owners of Assessed Property pursuant to Sec. 4A-6 and 4A-7 hereof; or
- (4) an Assessment Roll contains Assessed Property that was not included on the Assessment

CHAPTER 4A. FIRE RESCUE ASSESSMENTS

Roll approved for the prior Fiscal Year, notice shall be provided by publication and first class mail to the owners of such Assessed Property as provided by law. Such notice shall substantially conform with the notice requirements set forth in Sec. 4A-6 and 4A-7 hereof and inform the owner of the date, time, and place for the adoption of the Annual Rate Resolution. The failure of the owner to receive such notice due to mistake or inadvertence shall not affect the validity of the Assessment Roll nor release or discharge any obligation for payment of a Fire Rescue Assessment imposed by the Board pursuant to this Ordinance.

(g) As to any Assessed Property not included on an Assessment Roll approved by the adoption of the Final Assessment Resolution or a prior year's Annual Rate Resolution, the adoption of the succeeding Annual Rate Resolution shall be the final adjudication of the issues presented as to such Assessed Property (including, but not limited to, the determination of special benefit and fair apportionment to the Assessed Property, the method of apportionment and assessment, the rate of assessment, the Assessment Roll, and the levy and lien of the Assessments), unless proper steps shall be initiated in a court of competent jurisdiction to secure relief within 20 days from the date of the Board action on the Annual Rate Resolution. Nothing contained herein shall be construed or interpreted to affect the finality of any Fire Rescue Assessment not challenged within the required 20-day period for those Fire Rescue Assessments previously imposed against Assessed Property by the inclusion of the Assessed Property on an Assessment Roll approved in the Final Assessment Resolution or any subsequent Annual Rate Resolution.

(h) The Assessment Roll, as approved by the Annual Rate Resolution, shall be delivered to the Tax Collector as required by the Uniform Assessment Collection Act, or if the alternative method described in Sec. 4A-18 hereof is used to collect the Assessments, such other official as the Board by resolution shall designate. If the Assessment against any property shall be sustained, reduced, or abated by the court, an adjustment shall be made on the Assessment Roll.

(Ord.2010-02, Sec. 1)

Sec. 4A-11. Lien of fire rescue assessments

Upon the adoption of the Assessment Roll, all Fire Rescue Assessments shall constitute a lien against Assessed Property equal in rank and dignity with the liens of all state, county, district, or municipal taxes and special assessments. Except as otherwise provided by law, such lien shall be superior in dignity to all other prior liens, mortgages, titles, and claims, until paid. The lien for a Fire Rescue Assessment shall be deemed perfected upon the Board's adoption of the Final Assessment Resolution or the Annual Rate Resolution, whichever is applicable. The lien for a Fire Rescue Assessment collected under the Uniform Assessment Collection Act shall attach to the property included on the Assessment Roll as of the prior January 1, the lien date for ad valorem taxes imposed under the Tax Roll. The lien for a Fire Rescue Assessment collected under the alternative method of collection provided in Sec. 4A-18 shall be deemed perfected upon the Board's adoption of the Final Assessment Resolution or the Annual Rate Resolution, whichever is applicable, and shall attach to the property on such date of adoption.

(Ord.2010-02, Sec. 1)

Sec. 4A-12. Revisions to fire rescue assessments

If any Fire Rescue Assessment made under the provisions of this Ordinance is either in whole or in part annulled, vacated, or set aside by the judgment of any court, or if the Board is satisfied that any such Fire Rescue Assessment is so irregular or defective that the same cannot be enforced or collected, or if the Board has failed to include or omitted any property on the Assessment Roll which property should have been so included, the Board may take all necessary steps to impose a new Fire Rescue Assessment against any property benefitted by the Fire Rescue Assessed Costs, following as nearly as may be practicable, the provisions of this Ordinance and in case such second Fire Rescue Assessment is annulled, vacated, or set aside, the Board may obtain and impose other Fire Rescue Assessments until a valid Fire Rescue Assessment is imposed.

(Ord.2010-02, Sec. 1)

Sec. 4A-13. Procedural irregularities

Any informality or irregularity in the proceedings in connection with the levy of any Fire Rescue Assessment under the provisions of this Ordinance shall not affect the validity of the same after the approval thereof, and any Fire Rescue Assessment as finally approved shall be competent and sufficient evidence that such Fire Rescue Assessment was duly levied, that the Fire Rescue Assessment was duly made and adopted, and that all other proceedings adequate to such Fire Rescue Assessment were duly had, taken, and performed as required by this Ordinance; and no variance from the directions hereunder shall be held material unless it be

CHAPTER 4A. FIRE RESCUE ASSESSMENTS

clearly shown that the party objecting was materially injured thereby.

(Ord.2010-02, Sec. 1)

Sec. 4A-14. Correction of errors and omissions

(a) No act of error or omission on the part of the Property Appraiser, Tax Collector, Assessment Coordinator, Board, or their deputies or employees, shall operate to release or discharge any obligation for payment of a Fire Rescue Assessment imposed by the Board under the provisions of this Ordinance.

(b) When it shall appear that any Fire Rescue Assessment should have been imposed under this Ordinance against a parcel of property specially benefitted by the provision of fire rescue services, facilities, or programs, but that such property was omitted from the Assessment Roll; or such property was erroneously assessed; or was not listed on the Tax Roll as an individual parcel of property as of the effective date of the Assessment Roll approved by the Annual Rate Resolution for any upcoming Fiscal Year, the Board may, upon provision of a notice by mail provided to the Owner of the omitted or erroneously assessed parcel in the manner and form provided in Sec. 4A-7, impose the applicable Fire Rescue Assessment for the Fiscal Year in which such error or omission is discovered, in addition to the applicable Fire Rescue Assessment due for the prior two Fiscal Years, if any. Such Fire Rescue Assessment shall constitute a lien against Assessed Property equal in rank and dignity with the liens of all state, county, district, or municipal taxes and special assessments, and superior in rank and dignity to all other prior liens, mortgages, titles, and claims in and to or against the real property involved, shall be collected as provided in Division 3 hereof, and shall be deemed perfected on the date of adoption of the resolution imposing the omitted, delinquent, or corrected assessments.

(c) Prior to the delivery of the Assessment Roll to the Tax Collector in accordance with the Uniform Assessment Collection Act, the Assessment Coordinator shall have the authority at any time, upon his or her own initiative or in response to a timely filed petition from the Owner of any property subject to a Fire Rescue Assessment, to reclassify property based upon presentation of competent and substantial evidence, and correct any error in applying the Fire Rescue Assessment apportionment method to any particular parcel of property not otherwise requiring the provision of notice pursuant to the Uniform Assessment Collection Act. Any such correction shall be considered valid ab initio and shall in no way affect the enforcement of the Fire Rescue Assessment imposed under the provisions of this Ordinance. All requests from affected property owners for any such changes, modifications or corrections shall be referred to, and processed by, the Assessment Coordinator and not the Property Appraiser or Tax Collector.

(d) After the Assessment Roll has been delivered to the Tax Collector in accordance with the Uniform Assessment Collection Act, any changes, modifications, or corrections thereto shall be made in accordance with the procedures applicable to correcting errors and insolvencies on the Tax Roll upon timely written request and direction of the Assessment Coordinator.

(Ord.2010-02, Sec. 1)

Sec. 4A-15. Interim assessments

(a) An interim Fire Rescue Assessment shall be imposed against any parcel if there is a change of use which places the property in a different assessment classification subsequent to the adoption of the then applicable Annual Rate Resolution. If the change of use is a result of construction of improvements requiring issuance of a building permit, then the interim assessment shall be paid before the Town issues a Zoning Compliance Certificate authorizing the County to issue a building permit; otherwise, the Town shall issue an invoice for the interim assessment upon notice of the change of use. The amount of the interim Fire Rescue Assessment shall be calculated upon a monthly rate, which shall be one-twelfth of the annual rate for such new use computed in accordance with the Annual Rate Resolution for the Fiscal Year for which the interim Fire Rescue Assessment is being imposed. Such monthly rate shall be imposed for each full calendar month remaining in the Fiscal Year. A credit shall be granted against the interim Fire Rescue Assessment for any Fire Rescue Assessment paid for the same property for the same time period. In addition to the monthly rate, the interim Fire Rescue Assessment shall also include an estimate of the subsequent Fiscal Year's Fire Rescue Assessment. Issuance of a building permit by mistake or inadvertence, and without the payment in full of the interim Fire Services Assessments shall not relieve the Owner of such property of the obligation of full payment. Any interim Fire Rescue Assessment not collected prior to the issuance of the building permit may be collected pursuant to the Uniform Assessment Collection Act as provided in Sec. 4A-17 of this Ordinance, under the alternative collection method provided in Sec. 4A-18 or by any other method authorized by law. Any interim Fire Rescue Assessment shall be deemed due and payable on the earlier of:

- (1) the date of issuance of a Zoning Compliance Certificate; or
- (2) the date the building permit was issued; or

CHAPTER 4A. FIRE RESCUE ASSESSMENTS

(3) the date of the change of use causing a change in the assessment classification of the property, and shall constitute a lien against such property as of that date. Said lien shall be equal in rank and dignity with the liens of all state, county, district or municipal taxes and special assessments, and superior in rank and dignity to all other liens, encumbrances, titles and claims in and to or against the real property involved and shall be deemed perfected upon the date determined as stated above.

(b) In the event a building permit expires prior to completion of the building for which it was issued, and the applicant has paid an interim Fire Rescue Assessment as a result of the improvements, the applicant may, within 90 days of the expiration of the building permit, apply for a refund of the interim Fire Rescue Assessment. Failure to timely apply for a refund of the interim Fire Rescue Assessment shall waive any right to a refund. The application for refund shall be filed with the Assessment Coordinator and contain the following:

- (1) The name and address of the applicant;
- (2) The location of the property and the tax parcel identification number for the property which was the subject of the building permit;
- (3) The date the interim Fire Rescue Assessment was paid;
- (4) A copy of the receipt of payment for the interim Fire Services Assessment; and
- (5) The date the building permit was issued and the date of expiration. After verifying that the building permit has expired and that the building has not been completed, the Assessment Coordinator shall refund the interim Fire Rescue Assessment paid for such building.

(c) A building permit which is subsequently issued for a building on the same property which was the subject of a refund shall pay the interim Fire Rescue Assessment as required by this Sec. 4A-15.

(Ord.2010-02, Sec. 1)

Sec. 4A-16. Authorization for exemptions and hardship assistance

(a) The Board, in its sole discretion, shall determine on an annual basis whether to provide exemptions from payment of the Fire Rescue Assessment for Government Property or property whose use is exempt from ad valorem taxation under Florida law.

(b) The Board, in its sole discretion, shall determine on an annual basis whether to provide a program of hardship assistance to Town residents who are living below or close to the poverty level and are at risk of losing title to their homes as a result of the imposition of the Fire Rescue Assessments.

(c) On an annual basis, the Board shall designate the funds available to provide any exemptions or hardship assistance. The provision of an exemption or hardship assistance in any one year shall in no way establish a right or entitlement to such exemption or assistance in any subsequent year and the provision of funds in any year may be limited to the extent funds are available and appropriated by the Board. Any funds designated for exemptions or hardship assistance shall be paid by the Town from funds other than those generated by the Fire Rescue Assessment.

(d) Any shortfall in the expected Fire Rescue Assessment proceeds due to any hardship assistance or exemption from payment of the Fire Rescue Assessments required by law or authorized by the Board shall be supplemented by any legally available funds, or combination of such funds, and shall not be paid for by proceeds or funds derived from the Fire Rescue Assessments. In the event a court of competent jurisdiction determines any exemption or reduction by the Board is improper or otherwise adversely affects the validity of the Fire Rescue Assessment imposed for any Fiscal Year, the sole and exclusive remedy shall be the imposition of a Fire Rescue Assessment upon each affected property in the amount of the Fire Rescue Assessment that would have been otherwise imposed save for such reduction or exemption afforded to such property by the Board.

(Ord.2010-02, Sec. 1)

DIVISION 3. COLLECTION AND USE OF FIRE RESCUE ASSESSMENTS

Sec. 4A-17. Method of collection

(a) Unless otherwise directed by the Board, the Fire Rescue Assessments shall be collected pursuant to the uniform method provided in the Uniform Assessment Collection Act, and the Town shall comply with all applicable provisions of the Uniform Assessment Collection Act. Any hearing or notice required by this Ordinance may be combined with any other hearing or notice required by the Uniform Assessment Collection Act or other provision of law.

CHAPTER 4A. FIRE RESCUE ASSESSMENTS

(b) The amount of a Fire Rescue Assessment to be collected using the uniform method pursuant to the Uniform Assessment Collection Act for any specific parcel of benefited property may include an amount equivalent to the payment delinquency, delinquency fees and recording costs for a prior year's assessment for a comparable service, facility, or program provided,

(1) the collection method used in connection with the prior year's assessment did not employ the use of the uniform method of collection authorized by the Uniform Assessment Collection Act,

(2) notice is provided to the owner as required under the Uniform Assessment Collection Act, and

(3) any lien on the affected parcel for the prior year's assessment is supplanted and transferred to such Fire Rescue Assessment upon certification of a non-ad valorem roll to the Tax Collector by the Town.

(Ord.2010-02, Sec. 1)

Sec. 4A-18. Alternative method of collection

In lieu of using the Uniform Assessment Collection Act, the Board may elect to collect the Fire Rescue Assessments by any other method which is authorized by law or under the alternative collection method provided by this Section:

(a) The Board shall provide Fire Rescue Assessment bills by first class mail to the owner of each affected parcel of property, other than Government Property. The bill or accompanying explanatory material shall include:

(1) a brief explanation of the Fire Rescue Assessment,

(2) a description of the unit of measurement used to determine the amount of the Fire Rescue Assessment,

(3) the number of units contained within the parcel,

(4) the total amount of the Fire Rescue Assessment imposed against the parcel for the appropriate period,

(5) the location at which payment will be accepted,

(6) the date on which the Fire Rescue Assessment is due, and

(7) a statement that the Fire Rescue Assessment constitutes a lien against Assessed Property equal in rank and dignity with the liens of all state, county, district or municipal taxes and other non-ad valorem assessments.

(b) A general notice of the lien resulting from imposition of the Fire Rescue Assessments shall be recorded in the Official Records of the County. Nothing herein shall be construed to require that individual liens or releases be filed in the Official Records.

(c) The Board shall have the right to foreclose and collect all delinquent Fire Rescue Assessments in the manner provided by law for the foreclosure of mortgages on real property or appoint or retain an agent to institute such foreclosure and collection proceedings. A Fire Rescue Assessment shall become delinquent if it is not paid within 30 days from the date any installment is due. The Board or its agent shall notify any property owner who is delinquent in payment of his or her Fire Rescue Assessment within 60 days from the date such assessment was due. Such notice shall state in effect that the Board or its agent will either

(1) initiate a foreclosure action or suit in equity and cause the foreclosure of such property subject to a delinquent Fire Rescue Assessment in a method now or hereafter provided by law for foreclosure of mortgages on real property, or

(2) cause an amount equivalent to the delinquent Fire Rescue Assessment, not previously subject to collection using the uniform method under the Uniform Assessment Collection Act, to be collected on the tax bill for a subsequent year.

(d) All costs, fees and expenses, including reasonable attorney fees and title search expenses, related to any foreclosure action as described herein shall be included in any judgment or decree rendered therein. At the sale pursuant to decree in any such action, the Town may be the purchaser to the same extent as any person. One foreclosure action may include claims to collect Fire Rescue Assessments against any or all properties assessed in accordance with the provisions hereof. All delinquent owners whose property is foreclosed shall be liable for an apportioned amount of reasonable costs and expenses incurred by the Board and its agents, including reasonable attorney fees, in collection of such delinquent Fire Rescue Assessments and any other costs incurred by the Board as a result of such delinquent Fire Rescue Assessments and the same shall be collectible as a part of or in addition to, the costs of the action.

(e) In lieu of foreclosure, any delinquent Fire Rescue Assessment and the costs, fees and expenses

CHAPTER 4A. FIRE RESCUE ASSESSMENTS

attributable thereto, may be collected pursuant to the Uniform Assessment Collection Act; provided however, that

(1) notice is provided to the owner in the manner required by the Uniform Assessment Collection Act and this Ordinance, and

(2) any existing lien of record on the affected parcel for the delinquent Fire Rescue Assessment is supplanted by the lien resulting from certification of the Assessment Roll, as applicable, to the Tax Collector.

(f) Notwithstanding the Board's use of an alternative method of collection, the Assessment Coordinator shall have the same power and authority to correct errors and omissions as provided in Sec. 4A-14 hereof.

(g) Any Board action required in the collection of Fire Rescue Assessments may be by resolution.

(Ord.2010-02, Sec. 1)

Sec. 4A-19. Government property

(a) In the event Fire Rescue Assessments are imposed against Government Property, the Board shall provide Fire Rescue Assessment bills by first class mail to the owner of each affected parcel of Government Property. The bill or accompanying explanatory material shall include

(1) a brief explanation of the Fire Rescue Assessment,

(2) a description of the unit of measurement used to determine the amount of the Fire Rescue Assessment,

(3) the number of units contained within the parcel,

(4) the total amount of the parcel's Fire Rescue Assessment for the appropriate period,

(5) the location at which payment will be accepted, and

(6) the date on which the Fire Rescue Assessment is due.

(b) Fire Rescue Assessments imposed against Government Property shall be due on the same date as all other Fire Rescue Assessments and, if applicable, shall be subject to the same discounts for early payment.

(c) A Fire Rescue Assessment shall become delinquent if it is not paid within 30 days from the date any installment is due. The Board shall notify the owner of any Government Property that is delinquent in payment of its Fire Rescue Assessment within 60 days from the date such assessment was due. Such notice shall state that the Board will initiate a mandamus or other appropriate judicial action to compel payment.

(d) All costs, fees and expenses, including reasonable attorney fees and title search expenses, related to any mandamus or other action as described herein shall be included in any judgment or decree rendered therein. All delinquent owners of Government Property against which a mandamus or other appropriate action is filed shall be liable for an apportioned amount of reasonable costs and expenses incurred by the Town, including reasonable attorney fees, in collection of such delinquent Fire Rescue Assessments and any other costs incurred by the Board as a result of such delinquent Fire Rescue Assessments and the same shall be collectible as a part of or in addition to, the costs of the action.

(e) As an alternative to the foregoing, a Fire Rescue Assessment imposed against Government Property may be collected as a surcharge on a utility bill provided to such Government Property in periodic installments with a remedy of a mandamus action in the event of non-payment.

(4) In granting or denying the request for extension of time, the Appeals Board shall consider such factors as are appropriate, including the good faith effort to comply, the availability of materials and workmen necessary, and other such factors as the Appeals Board may deem appropriate and consistent with the intent of the Dangerous Building and Hazardous Land Code.

(5) All requests for extension of time shall be considered at the next meeting of the Appeals Board occurring not less than three days after the filing of such request, and the person seeking the extension of time as well as the Enforcing Official shall be notified of the time and place of such hearing.

(6) In granting or denying the request, the Appeals Board shall, in each instance, state its reason therefor and state the length of time, if it is extended, during which the acts required to be done shall be completed, which time, in no instance, may be greater that ninety (90) days after the time period stated in the original notice of violation in the case of dangerous buildings nor thirty (30) days in the case of hazardous lands.

ARTICLE I. NUDITY IN PUBLIC PLACES

Sec. 30-1. Intent

It is the intent of this Article to protect and preserve the health, safety, and welfare of the citizens of Micanopy by prohibiting a person from intentionally or recklessly appearing or being nude, or causing another person to appear or be nude, in a public place and in other places which may reasonably be expected to be observed by the public within the Town limits of Micanopy except when such person appears nude in a place provided or set apart for nudity provided such person is nude for the sole purpose of performing the legal function(s) that is customarily intended to be performed within such place provided or set apart for nudity; and

- (a) such person is not nude for the purpose of obtaining money or other financial gain for such person or for another person or entity; or
- (b) when the conduct of being nude cannot legally be prohibited by this Article because it constitutes a part of a bona fide live communication, demonstration or performance by such person wherein such nudity is expressive conduct incidental to and necessary for the conveyance or communication of a genuine message or public expression and is not a guise or pretense utilized to exploit nudity for profit or commercial gain (see for instance *Board of County Commissioners v. Dexterhouse*, 348 So.2d 916 (Fla. 2nd DCA 1977) and as such is protected by the United States or Florida Constitution; or
- (c) because it is otherwise protected by the United States or Florida Constitution.

It is the further intention of the Town to accomplish those intents and purposes expressed by the Town in the provisions of this Article, each of which are incorporated by reference into this section.

ARTICLE II. ADULT PERFORMANCE ESTABLISHMENT, ESCORT SERVICE AND ESCORT LICENSES

Part 1. General Provisions

Sec. 30-15. Authority, scope, and purpose

(a) This Article is enacted under the home rule power of the Town of Micanopy, Florida, in the interest of the health, peace, safety, and general welfare of the people of the Town, and under the authority of the Town

CHAPTER 30. OFFENSES AND MISCELLANEOUS PROVISIONS

to regulate the sale and consumption of alcoholic beverages under the twenty-first Amendment to the Constitution of the United States.

(b) This Article shall be effective throughout the Town of Micanopy, Florida.

(c) The intent of the Town Commission in adopting this Article is to establish reasonable and uniform regulations for adult performance establishments and escort services that will protect the health, safety, property values, and general welfare of the people of the city. It is not the intent of the Town Commission to legislate with respect to matters of obscenity. These matters are regulated by federal and state law, including Chapter 847, Florida Statutes.

(Sec. 95-5, Sec. 1)

Sec. 30-16. Findings of fact

The Town Commission hereby finds:

(a) Commercial establishments exist or may exist within the Town and other nearby cities or counties in North Central Florida where dancers, entertainers, performers, or other individuals, for commercial gain, perform or are presented while displaying or exposing specified anatomical area; or who engage in straddle dancing or touching with customers.

(b) The activities described in (a) above occur at establishments which operate for the purpose of making a profit, and, as such, are subject to regulation by the Town in the interest of the health, safety, economy, property values and general welfare of the people, businesses, and industries of the Town. Promoting tourism is important to the community's continued economic welfare, including tourism by persons seeking to bring children to visit attractions who wish to stay in a community with a family atmosphere.

(c) When the activities described in (a) above are present in establishments, other activities which are illegal, unsafe, or unhealthy tend to accompany them, concentrate around them, and be aggravated by them. Such other activities include, but are not limited to, prostitution, pandering, solicitation for prostitution, lewd and lascivious behavior, exposing minors to harmful materials, possession, distribution and transportation of obscene materials, sale and possession of controlled substances, and violent crimes against persons and property.

(d) When the activities described in (a) above are competitively exploited in establishments, they tend to attract an undesirable number of transients, blight neighborhoods, adversely affect neighboring businesses, lower real property values, promote the particular crimes described in (c) above, and ultimately lead residents and businesses to move to other locations.

(e) The establishments in which the activities described in (a) above occur have exterior signs or appearance that lower the surrounding property values and contribute to urban decline.

(f) The concurrence of the sale and consumption of alcoholic beverages with the activities described in (a) above leads to a further increase in criminal activity, unsafe activity, and disturbances of the peace and order of the surrounding community.

(g) The concurrence of the sale and consumption of alcoholic beverages with the activities described in (a) above creates additional hazards to the health and safety of persons in attendance and further depreciates the value of adjoining property harming the economic welfare of the surrounding community and adversely affecting the quality of life, tone of commerce, and community environment.

(h) In order to preserve and safeguard the health, safety, property values, and general welfare of the people, businesses, and industries of the Town, it is necessary and advisable for the Town to regulate the sale and consumption of alcoholic beverages at establishments where the activities described in (a) above occur.

(i) Employees of establishments at which the activities described in (a) above occur engage in a higher incidence of certain types of unhealthy or criminal behavior than employees of other establishments.

(j) Physical contact or touching within establishments at which the activities described in (a) above occur between employees exhibiting specified anatomical areas and customers poses a threat to the health of both and promotes the spread of communicable and social diseases.

(k) In order to preserve and safeguard the health, safety, and general welfare of the people of the Town it is necessary and advisable for the Town to regulate the conduct of owners, managers, operators, agents, employees, entertainers, performers, and customers at establishments where the activities described in (a) above occur.

(l) Straddle dancing, unregulated private performances, and enclosed adult booths in establishments at which the activities described in (a) above occur have resulted in indiscriminate commercial sex between

CHAPTER 30. OFFENSES AND MISCELLANEOUS PROVISIONS

strangers and poses a threat to the health of the participants and promotes the spread of communicable sexually transmitted diseases. Straddle dancing is primarily conduct rather than communication or expression.

(m) The potential dangers to the health, safety, and general welfare of the people of the Town posed by permitting an establishment at which the activities described in (a) above occur to operate without meeting the requirements for obtaining a license under this Article are so great as to require the licensing of such establishment; prior to their being permitted to operate.

(n) Requiring employees of establishments at which the activities described in (a) above occur to keep a list of information concerning current employees and certain recent past employees will help reduce the incidence of certain types of criminal behavior by facilitating the identification of potential witnesses or suspects, and by preventing minors from working in such establishments.

(Ord.95-5, Sec. 1)

Sec. 30-17. Definitions

The following words, terms and phrases, when used in this code, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

(1) engages in a private performance or displays or exposes any specified anatomical areas to a patron, regardless of whether the employee actually engages in dancing;

(2) wears any covering, tape, pastie or other device that simulates or otherwise gives the appearance of the display or exposure of any specified anatomical areas, regardless of whether the employee actually engages in dancing;

(3) offers, solicits, or contracts to dance or perform with a patron and accepts any consideration, tip, remuneration or compensation from or on behalf of that person; or

(4) dances or performs within three (3) feet of a patron while displaying or exposing any specified anatomical areas and accepts any consideration, tip, remuneration, or compensation from or on behalf of that person.

The following words and terms when used in this Article shall have the meanings ascribed to them in this section except where the context clearly indicates a different meaning:

"Fuel oil" as used in this Article, shall include Fuel Oil Grade Nos. 1, 2, 3, 4, 5, and 6, kerosene, and coal oil.

CHAPTER 45. TAXATION AND SPECIAL ASSESSMENTS

“*Purchaser*” shall include any person, firm, corporation, partnership, society, club or association of persons acting together as a unit who purchase or cause to be purchased for consumption utility service within the corporate limits of the Town.

“*Seller*” shall include any person, individual, firm, co-partnership, joint venture, association, corporation, partnership, society, club, estate, trust, business trust, receiver, syndicate, or other group or combination acting as a unit, and shall include the state and any political subdivision, municipality, state agency, bureau, board, commission, instrumentality or department, or any combination thereof, and the plural as well as the singular number.

“*Utility service*” shall mean electricity, metered or bottled gas (natural, liquefied petroleum gas or manufactured), water service, and fuel oil, sold, purchased, delivered or received within the boundaries of the Town.

(Ord. 2004-01, Sec. 2)

Sec. 45-12. Levy

(a) There is hereby levied by the Town on each and every purchase in the Town of any utility service a tax of ten (10) percent of the charge made by the seller of such service or commodity, provided that on fuel oil the tax shall instead be four (4) cents per gallon.

(b) The tax hereby levied on purchases of utility service shall be collected only once upon the same commodity or service and after the commodity or service has lost its interstate character.

(Ord. 2004-01, Sec. 3)

Sec. 45-13. Exemptions

(a) *Political subdivisions, churches.* Purchases by the United States government, the State of Florida, and all counties, school districts and the Town, and by public bodies exempted by law or court order, and by any recognized church of this state for use exclusively for church purposes, are exempt from the tax levied under Sec. 45-12.

"Fuel adjustment charge" means all increases in the cost of utility services to the ultimate consumer resulting from an increase in the cost of fuel to the utility subsequent to October 1, 1973.

(c) *Special fuels, fuels in certain quantities and for certain uses.* The tax imposed under Sec. 45-12 shall not be imposed on the purchase of fuel oil or kerosene for use as an aircraft engine fuel or propellant or for use in internal combustion engines; nor on the purchase of natural gas or fuel oil by a public or private utility, including municipal corporations and rural electric cooperative associations, either for resale or for use as fuel in the generation of electricity.

(d) The extension of the utility tax authorized by F.S. §166.231, to fuel oil as defined by this Article is based upon the legislative finding that fuel oil as defined by this Article is competitive with other utilities taxed by this Article under the doctrine announced by the Florida Supreme Court in the case of *Central Oil Company v. Cheney*, 253 So.2d 869 (Fla. 1971). It is further determined and declared that items that are exempt under this Article and other items which are not taxed under this Article, such as coal, wood, charcoal and alcohol are not competitive with those other items that are taxed by this Article.

It shall be unlawful for any seller to collect for any utility service without at the same time collecting the tax hereby levied unless such seller shall elect to assume and pay such tax without collecting the same from the purchaser.
