

A Proclamation of the

Town of Micanopy

SEPTEMBER IS PUBLIC EDUCATION AWARENESS MONTH

Whereas: we believe that civil societies depend upon a well-educated citizenry to thrive, thus making an investment in shaping our future essential;

Whereas: we recognize the important role that an effective education plays in preparing all students to be successful adults;

Whereas: we believe that all children should have access to the highest-quality education possible;

Whereas: we believe that the Town of Micanopy has many high-quality teaching professionals who are committed to educating our children,

Whereas: we recognize the importance of parents and educators and their involvement in the public school system to help every student reach their fullest potential;

Whereas: The Town of Micanopy desires to raise awareness of the need for effective public schools;

Now, therefore, I, Timothy Alvin Parker, Mayor of the Town of Micanopy, so proclaim the month of September as:

Public Education Awareness Month

and I urge all residents of the Town of Micanopy to support our public school system.

Dated this 12th day of July in the year 2018.
